

FORM 2:

1. DETAILED PROPOSAL (Max 5 pages):

Use the following headings. Assign an equal amount of text to each of the main headings. Leave lots of white space; i.e. do not cramp in the information. Do NOT go over 5 pages.

OBJECTIVES

Describe the specific outcomes you hope to achieve or questions you hope to answer.

CONTEXT or PROBLEM STATEMENT

Briefly describe the context or problem and then address the following:

Literature Review

RELEVANCE OF PROPOSED RESEARCH TO ONGOING RESEARCH

SIGNIFICANCE OF PROPOSED RESEARCH

THEORETICAL FRAMEWORK

METHODOLOGY

Describe your research methodology

Research Strategy

Describe the specific programme of activities you will undertake

Data Analysis

Describe how you analyse the data and validate the results/

2. REFERENCES (new page – maximum of 5 pages)

Provide references for the works cited in the detailed proposal.

3. COMMUNICATION OF RESULTS (maximum two pages)

Describe how you will communicate results to the scientific and professional communities. Note that the FIG Foundation expects journal publications to flow from funded projects.
