To FIG Member Associations

30 September 2019

Call for nominations

At its meeting in Amsterdam, the Netherlands 10-14 May 2020 the FIG General Assembly will elect two new Vice Presidents for term of office 2021-2024.

Please note that the voting for Commission Chairs Elect will be postponed.

Dear FIG Member,

You are invited to consider nominations for **Vice President** of the Federation for the period 2021-2024. The Council has prepared the attached template specifying the background information required from each candidate for the open posts as Vice President.

Closing date for nominations is **16 December 2019**, following the internal rules. Nominations arriving after this date will not be considered for the elections.

The General Assembly should according to the internal rules also elect a **Chair Elect** for each of the ten FIG Commissions for term of office 1.1.2021-31.12.2022. Under normal circumstances the Chair Elect will be elected as the Chair of the Commission at the FIG Congress 2022 for the period 2023-2026.

As announced already at the General Assembly 2019 in Hanoi, Vietnam, FIG Council has decided to postpone the election of the Commission Chairs until FIG Working Week 2021 in Accra, Ghana, held 24-28 May 2021. FIG Council encourages you as member association in cooperation with the commissions to find good candidates for these posts. Please consider now your possibility to support the FIG Commissions. If you have not already appointed delegates to the (relevant) Commissions, you are encouraged to do so.

We look forward to receiving your nomination for **Vice President** in due time prior to the deadline of **16 December 2019**. For questions please contact me by email or phone.

Best regards
