

## **State-of-Play and Future Directions in the Land Sector**

Dr. **Kate Rickersey**, Land Equity International

### **BIOGRAPHICAL NOTES**

Dr **Kate Rickersey** is a driven and energetic leader with a passion for translating policy into action. She is Managing Director of LEI with over 15 years' experience across the full lifecycle of land administration projects. Kate is an experienced and innovative facilitator, and led the preparation, design, coordination and presentations for the MRLG and FAO co-hosted Regional Land Forum in Bangkok attended by almost 300 people. Previously, she co-designed and delivered the World Bank study on Governance in Land Administration, the foundation for the Land Governance Assessment Framework.
