

Meridia and the SDGs

Simon Ulvund, Meridia

BIOGRAPHICAL NOTES

Co-founder and CEO of Meridia, a venture that seeks to help landholders unlock the value of their land by providing them land documentation services and obtain legal land title at scale. In the past decade Simon has worked as a market analyst providing market and channel intelligence to institutional investors, co-founded start-ups and worked to build the impact entrepreneurial ecosystem globally. Simon has also served 4 years as a managing director for Impact Hub Network, with particular focus overseeing and supporting the growth of the network from 18 to 70+ member Hubs. One key achievement has also been developing partnerships to grow the impact economy infrastructure in Africa, Latin America, China and the Balkans.
