FIG Investment Policy as adopted by Council 13 June 2008

- It is the aim of the FIG Council to bring FIG's capital to 1½ times the annual membership fees.**
- The free capital will be invested on a low risk basis to not bring the capital of the Federation at any undue risk.**
- Investments are primarily done using FIG's secondary bank (Loekken Sparekasse), whereas daily business is run through our primary banker (Danske Bank).**

FIG Investment Policy as adopted by Council 13 June 2008

- Investments are made primarily in 2 segments:**
 - High Interest Rate Accounts on 6, 12, 18 months terms**
 - Bonds – Government Bonds, Ship Finance Bonds (government controlled), and Property Bonds**
- It is the policy of the Council not to invest with a higher risk profile, thus no shares and other potentially high risk investments.**
- Any new investments must be approved by the President upon proposal from the staff in charge of the FIG finances.**
