## Nomination Template for Vice President

	<p>countries and to put women on the right track of the profession in the developing countries.</p> <ul style="list-style-type: none"><li>- To aid the transfer of technology and applied sciences in the field of surveying from developed countries to Arab and African countries who are in dire need of applications in that field.</li><li>- Encourage junior engineers from developing countries to be members of important organizations such as the FIG.</li></ul>
What I can offer to FIG in support of its aims and objectives	<ul style="list-style-type: none"><li>- In order for FIG to achieve its aims of reaching developing countries in a region as important as the Middle East and African region, there has to be representative from these countries. As the only representative, I feel obliged to become the missing link of communication in order to assist the uplifting of the standards of capacity building in those countries.</li><li>- Also, establishing a line of contact between the FIG and Middle Eastern and African surveying communities and universities to explain the roles of FIG and clarify the advantages of being members of the FIG.</li></ul>
My key skills	<ul style="list-style-type: none"><li>- Determined.</li><li>- Hardworking .</li><li>- Sociable Person.</li><li>- Honest and humble.</li><li>- Negotiation skills.</li><li>- Skills that have been gained and nourished through 35 years of working and supervising several national and international surveying projects, applied researches, conferences and workshops.</li></ul>
Any other general comments	

<b>Nominator</b>	
Name of member association	Egyptian Commission of Surveying and Mapping
Name and title of contact person	Eng. Mohamed Mosaad Ibrahim President of the Egyptian Commission of Surveying and Mapping.
Contact address	218, Hegaz Street. Heliopolis, Cairo. Egypt.
Email address	Ibrahim_Mosaad@hotmail.com
<b>Nominator's statement</b>	
Why the association wants to nominate Nominee	Prof. Alnaggar has proven her firm possession of determination and energy when it came to projects and events held by the ECSM whether these projects were on the national or international levels. Her outstanding performance has led us to believe that she would be of great benefit to the ECSM if she is to join the FIG.
