Nominees statement	
Why I want to be Vice President	China is a big country and its surveying and mapping profession has been developing rapidly in recent years. China should play active roles in international organizations such as FIG and share its progress with other countries.
What I can offer to FIG in support of its aims and objectives	I can make contributions to the sharing of advanced technologies with other countries and the knowledge transfer to and capacity building of developing countries in related professional fields.

Nomination Template for Vice President

My key skills	Research and teaching in geodetic data processing, navigation system integration, especially satellite navigation system integration, and management of academic programs and organizations
Any other general comments	I will observe all rules and regulations of FIG and work actively and fairly to promote FIG's further development.

Nominator	
Name of member association	Chinese Society of Geodesy, Photogrammetry and Cartography (CSGPC)
Name and title of contact person	Ms. Jiang Xiaohong, Deputy Director for Foreign Affairs Division, National Administration of Surveying, Mapping and Geoinformation
Contact address	28 Lianhuachixi Road, Haidian District, Beijing 100830, China
Email address	info@sbsm.gov.cn
Nominator's statement	
Why the association wants to nominate Nominee	Prof. Dr. Pengfei Cheng has built up his reputation in China through many years' research work in geodesy, positioning and navigation fields and made remarkable contributions to the development of the surveying profession in China. And he has also been interested in international professional activities.
Support the association can offer the Nominee (financial and other)	CSGPC will give its full support for Prof. Dr. Pengfei Cheng to play an actively leading role in FIG.
Any other comments	

Signed	
I hereby certify the above is true and correct	
Date	December 30, 2011
Nominee	 Pengfei CHENG
Nominator	 Weisen LI President of CSGPC
