Call for Nominations

Election of FIG President and 2 FIG Vice Presidents for the term 2015 – 2018 at FIG's 37th General Assembly in Kuala Lumpur, 16th & 21st June 2014

Dear FIG Member,

On behalf of Council, you are kindly invited to consider this call for nomination and nominate qualified candidate(s) for election as President (one open post) and Vice Presidents (two open posts) of the Federation for the period 2015-2018.

The Council has prepared the attached templates specifying the background information required from each candidate for the open positions as President and Vice Presidents. The templates are required for the nomination according to the FIG Internal Rules, an extract is attached for your reference. The Call for Nomination, nomination templates and an extract of the relevant sections of the FIG Internal Rules are also available on the FIG website.

All nominations must be made using the appropriate nomination templates together with a covering letter of support from a FIG Member Association. The letter of support must be from either the President or the Principal Officer of the nominating FIG Member Association.

In the event that a current Vice President is nominated and elected as the next FIG President but has served only for two years of his term of office (2013 – 2016), there will be a further election for a Vice President for the remaining two year term of office (2015-2016). When making your nomination for the Vice President could you please consider and indicate if your candidate will also be available for this shorter period in Council if so required.

The closing date for all nominations will be **15 February 2014** that is four months prior to the General Assembly in Kuala Lumpur. Any nominations received after this date will not be considered. All bids must be sent to: louise.friis-hansen@fig.net. If you have any questions please write or call: tel. + 45 3318 5584. We look forward to receiving your nominations in due time but prior to the deadline of 15 February 2014.

Kind regards
