President
2019-2022

Why I want to be the President of FIG	FIG is the only organization that is representing Surveying and Geodesy as a profession worldwide. In the times of "globalization", this role of representing our profession is extremely important. Therefore, FIG needs a proactive and experienced leadership in order to fulfill the mentioned task.
---------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

What I can offer to FIG in support of its aims and objectives	<p>I' am active in FIG since almost 18 years. As Chair of one of the Technical Commissions, as Chief Editor of the Peer Review for Sydney 2010 and as Vice-President I know our organization very well and from different perspectives.</p> <p>Additionally I offer strong experience</p> <ul style="list-style-type: none">- in academic teaching & research (more than 20 years)- in industrial work (6 years with a leading manufacturer of surveying equipment)- in organizing events like Seminars (f. e. Terrestrial Laser Scanning)- in bringing young people into our profession- with my very successful Commission-work in FIG- with my very successful work as Vice President of FIG- with my broad knowledge of our profession
---------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

My key skills	<p>Languages: German (native language) French (Fluent) English (very good)</p> <p>Experience of work in NGOs (like DVW, ISO, etc.)</p> <p>Experience of Leadership from public and private employment.</p> <p>Ability to listen and to find compromises</p>

Nominator's statement	
Why the association wants to nominate Nominee	<p>Rudolf Staiger is nationally and internationally well reputed as a highly qualified expert not only in the field of surveying instruments.</p> <p>Moreover, Staiger has gained a strong FIG experience and knowledge not only as a Vice-President in the periods 2010-2014 + 2015-2018 but also as the Chair of Commission 5 (2007-2010), which was running in parallel to his chairmanship of the DVW Study Group "Measurement Methods and Systems" on both a scientific and practical level.</p> <p>His management skills are fundamental for the internal and external perception of FIG.</p> <p>DVW appreciates very much Staiger's capability of promoting communication between the FIG membership institutions and the experts standing behind the national associations.</p> <p>As a promotion strategy for our profession Staiger accentuates the close connection between global challenges and the expertise of the surveying branch.</p>
What support (financial, administrative and others) can the Association provide to the Nominee if elected President	DVW will offer any necessary personal, financial and institutional support to the nominee as we have done in the past.
