FIG WORKING WEEK 2019

22–26 April, Hanoi, Vietnam

"Geospatial Information for a Smarter Life and Environmental Resilience"

Alignment with commissions ...

- Professional Standards and Practice Commission 1: Women in land
- Professional Education Commission 2: African academic networking rather than creating a new network – action rather than another structure
- Positioning and Measurement Commission 5: CORS establishment and advancing AFREF with help of UN-GGIM
- Spatial Development and Planning Commission 8: African water governance
