Council 2007-2008

Commission grants

Council will budget money for special projects 10-15 000 EUR

Council decides, based on application by Commissions

Commission Work plans

Harmonising with FIG Work plan

Policy decision by the Council

No task force

Joint commission activities

www.fig.net/admin/ga/2007/agenda.htm

under item 21

Organising conference programs and assuring quality

Need to improve the quality of technical sessions

Commission chairs responsibility to provide „high profile“ sessions

Proposal, each commission could have one keynote presentation in the plenary session during the WW

Peer review of papers

Working group to prepare the guidelines for peer review process in FIG

Chairs should list possible reviewers for their commission and for appoint a contact person in their commission for this activity

Drafting group: Rudolf Steiger (5) chair

Chryssy Potsiu (3)

Béla Márkus (2)

Kauko Viitanen (9)

Andrew Leyzack (6)

The system will be applied in Stockholm WW ?

Virtual Journal

Online journal

Peer reviewing should be at higher level than conference paper

Journal would most likely need an editor (editorial board)

Published 1-2 times a year and include peer reviewed papers from FIG conferences or papers sent directly to the journal
