SUMMARY

Bio:

Victoria Stanley is a Senior Land Administration Specialist at the World Bank. She has worked in more than 25 countries across Africa, Eastern Europe, Central Asia, and Latin America and across a wide range of issues including land reform, land administration, land governance and land policy. Victoria's current focus of work is on women's land rights and gender inclusion across urban and land issues. Prior to joining the World Bank Ms. Stanley worked for several NGOs on research and development issues. Ms. Stanley has a Master of Public and International Affairs from the University of Pittsburgh Graduate School for Public and International Affairs and a Bachelor of Arts from Cornell University.
